

Protection concept COVID-19

Version 1.0

Valid from April 22, 2021

OVERRIDING PRINCIPLE

- The current protection concept of the tennis facility on which the GotCourts League match is played always applies.

PROTECTIVE MEASURES

- Social Distance: The distance rule of 1.5m must be maintained.
- Physical contact should be avoided.
- Masks are mandatory in all indoor and outdoor areas of a tennis facility. Children before the age of 12 and persons who can prove that they cannot wear face masks for special reasons, especially medical reasons, are exempt from the mask requirement.
- Please wash your hands before and after playing.
- Players with symptoms of illness are not allowed to participate in the league or game.
- Spectators are currently banned from amateur sports and therefore from the GotCourts League. The spectator area is defined around the playing field. The restaurant and clubhouse are not included. Other participants, staff/employees, team members, caregivers, etc. are not considered spectators.
